

Wichita Sudbury School Enrollment Packet

Dear Prospective Family,

Thank you for choosing to be part of our community! We look forward to learning more about you! The enrollment process at Wichita Sudbury School is a three-part process, as follows:

- A. **Interview:** First, we'll schedule an interview with the potential student, at least one staff member, and at least one parent or guardian (preferably all adults that the child lives with). This is an opportunity for the family to ask any questions and to ascertain that everyone is aware of the basic Sudbury philosophy. Please complete the short questionnaires to bring with you.

_____ Student questionnaire

_____ Parent questionnaire

- B. **Visiting Week:** After the interview, the family will arrange for a week of visitation for the child to experience Wichita Sudbury School as a full-time student and test whether the school is a good fit. There is a non-refundable \$50 deposit for Visiting Week that can be applied to the first month's tuition. If multiple siblings from the same family are visiting, we may schedule each child their own visiting week in order to better see each child on their own merit and let their unique qualities shine.

_____ Request for Visiting Week

_____ Medical Consent form

_____ Visiting Week deposit

- C. **Enrollment:** Finally, we'll make sure all our paperwork is in order!

Parent/Guardian Agreement

We wish to enroll our child at Wichita Sudbury School for the _____ school year. We understand that WSS is a child-centered, democratically run school that encourages students to develop at their own pace and in their own way in order to realize their own self-direction, self-motivation, and self-knowledge. WSS will not require my child to attend specific classes or do specific work but will support every request for learning and offer a variety of learning opportunities designed by the staff. I acknowledge that my child is may be asked to perform certain activities as designated by School Meeting or Judicial Committee as well as having regular chores/clean-up responsibilities, but that other than that, my child's day-to-day activities are up to his/her own discretion.

We agree to support our child in exploring his/her passions and endeavors, and we agree to communicate with our child and the school to aid in achieving this goal.
